

COMLUX'S BACKLOG IS EVER-GROWING WITH NEW CABIN COMPLETION, UPGRADE, AND MAINTENANCE ORDERS

Indianapolis – October 22, 2024 – In the past 12 months, Comlux has been awarded 9 new contracts including 3 brand-new Airbus ACJ TwoTwenty interiors, 3 ACJ320neo VIP interiors and 3 maintenance & cabin upgrades.

The Latin *"omne trium perfectum"* (meaning "everything that comes in threes is perfect") is the most accurate description of the latest additions to Comlux's orderbook. All these projects will be carried out at Comlux Completion, the completion and maintenance facility of the Comlux Group located in Indianapolis, USA.

Comlux Completion has established itself as one of the most unique and modern completion & service centers in the world, dedicated to the large business jets produced by Boeing and Airbus: Boeing Business Jets and Airbus Corporate Jets. Comlux's unique expertise has been proven over the years by successfully completing brand-new VIP cabins of Airbus and Boeing aircraft, including several ACJ TwoTwenty, ACJ319, ACJ320, ACJ320neo, ACJ321, ACJ330, BBJ, BBJ3, BBJ MAX8.... >>>

In terms of maintenance, as a certified ACJ service center and BBJ authorized warranty repair facility and service center, Comlux Completion has extensive capabilities to perform maintenance on many types of VIP aircraft.

Adam White, CEO Comlux Completion: *"This is a testament to our multi-year strategy of expansion and growth; we are very excited that the customer base is responding so positively to our strategy. Sales happen quickly after years are spent developing the infrastructure, tools, and most importantly the people to ensure we keep customer satisfaction at the forefront. This reflects the hard work done by everyone to execute the vision needed to take Comlux to the next level."*

Comlux is one of the leaders in business aviation, transaction and completion services. For over 20 years, the company has been *engineering luxury* for VIP customers seeking personal and professional management of their private aviation needs, including aircraft sales and acquisitions, aircraft operations and charter management, cabin interiors, maintenance and upgrades. Headquartered in Switzerland with a global presence around the world, Comlux delivers world-class, Swiss-made business aviation services.
