

COMLUX AND STELLAR BLU JOIN FORCES TO REVOLUTIONIZE BUSINESS AVIATION CONNECTIVITY

Geneva – May 28, 2024 - Comlux, a globally renowned leader in the business aviation, announces a partnership with Stellar Blu, marking a significant milestone in the world of aviation. The two companies have signed a Letter of Intent (LOI) to collaborate on integrating Stellar Blu's broadband, multi-network satcom connectivity platform ("Sidewinder") into the ACJ TwoTwenty. Comlux's exceptional status as the exclusive partner of Airbus on the ACJ TwoTwenty program makes this collaboration a game-changer, promising an unmatched connectivity experience.

The integration of Stellar Blu's advanced Sidewinder connectivity system into the ACJ TwoTwenty is set to redefine in-flight connectivity, offering passengers a unique blend of speed, resiliency, and coverage while making them feel more at home during their flights. Leveraging Stellar Blu's technical expertise, Sidewinder will be adapted to the ACJ TwoTwenty to provide an unparalleled in-flight experience by unlocking access to multiple service providers offering global coverage and services via multiple, redundant networks in LEO, MEO or GEO orbit. Utilizing this "network of networks" approach, Sidewinder provides a resilient connection supporting full HD streaming, video

conferencing and collaborative computing via the resilient, broadband connection.

Integration of the new connectivity system into the ACJ TwoTwenty will start immediately, with the aim of installing and certifying the system on an aircraft before the end of 2024. This forward-thinking approach demonstrates Comlux and Stellar Blu's commitment to staying on the cutting edge of technology, ensuring that ACJ TwoTwenty passengers enjoy an experience that is both exceptional and innovative.

Arnaud Martin, CEO Comlux 2Twenty Ltd.:

"In addition to the already extraordinary cabin experience, this system will further position the ACJ TwoTwenty at the forefront of new technology. Our partnership with Stellar Blu will transform the way our passengers communicate and stay connected during their flights, enhancing their overall in-flight experience."

Tracy Trent, CEO Stellar Blu:

"Cooperation with Comlux, a luxury brand and best in class completions provider, is a perfect fit for Stellar Blu. Together we represent innovation, cutting-edge technology, and a customer centric approach."

The joint efforts of Comlux and Stellar Blu will undoubtedly set new standards in business aviation connectivity, offering a seamless, high-speed, resilient, and globally comprehensive solution to the ACJ TwoTwenty passengers. This groundbreaking initiative reinforces Comlux's commitment to delivering excellence in the aviation sector and ensuring passengers enjoy an unmatched experience.
