

Airbus ACJ319 9H-LIV

Your flying head-office

The corporate ACJ319 combines the most spacious cabin in its class with intercontinental performance. It features a spacious lounge area with a dining table. A private bedroom, offering two full flat beds with private bathroom as well as a dedicated entourage area at the back. The cabin was fully refurbished in 2022 with new leathers, carpet, upgraded high speed connectivity and installation of an air purification system by ionisation.
